DJOKOVIC
AND
MY
GAME IS
SPEED.

YOU TEK™
SPEED

HEAD's YouTek™ concept aims to provide you with the perfect racquets for your individual game. The new YouTek™ IG Speed is specially designed for the needs of players like Novak Djokovic. It offers a stiffer feel for hard hitters with a long, fast swing style. The Speed Series incorporates Innegra™, which reduces vibration on ball impact by up to 17%, giving you unmatched control and precision on every shot you take.
